The Gemini Collection

A unique combination of safety, economy and selection

Hörmann Gemini Collection

Safety, Economy, Selection

The Hörmann Gemini Collection offers you a wide range of styles and a broad variety of design options to enhance the beauty of your home. The virtually no-maintenance Gemini Collection comes in your choice of steel: as the **2100 Series** made of 25 gauge galvanized steel, or as the **2200 Series** made of 24 gauge galvanized steel.

No matter which design suits your needs, you will never compromise on quality and safety. **Our new steel doors are manufactured to the highest standards, and come with FingerGuard™ pinch-resistant section joints as standard.**

Deep tongue and groove section joint contribute to the door's **excellent strength**. Intermediate seals prevent air infiltration, which enhances the **insulation** properties.

Fully boxed end and center stiles add **additional structural integrity**.

Well-defined panel embossments, easy to clean **Rainslope™** woodgrain texture, galvanized and **finish painted steel** provide years of trouble-free performance and beauty.

The bottom weather seal **keeps out wind, rain, debris and other elements** for added energy savings.

Hörmann Exclusive FingerGuard™
