PERSONAL SELECTION GUIDE  
TO A HÖRMANN RESIDENTIAL  
WINDOW / GLAZING OPTIONS

\* Longer lead time may apply for insulated glass

# Your decision is simple with Hörmann!

Rejuvenate the look of your home instantly, the right way, with the Hörmann exclusive Mix 'N Match garage door window system. In just minutes you can give your home a whole new look, enhance its curb appeal and even increase its resale value.

Hörmann window insert frames are recessed in to the panel surface to give your door a cleaner look and free from any obstructions.

Inside window frames are injection molded and assembled using screws for convenience in replacing glass pane and clean look.

Hörmann's robust solid piece injection molded windows inserts offer superior rigidity and more durable compared to other welded frames.

Hörmann snap-in window inserts are offered in all 9 standard colors and 4 wood tone colors.
