

Commercial Sectional Doors

H-600V
High Density Polyethylene
1 $\frac{3}{4}$ " Sections

Durability and Convenience

Hörmann commercial doors are available in a wide range of materials, styles, sizes and design options. Sophisticated engineering and state-of-the-art manufacturing provide the basis for durable, reliable and long-lasting quality products.

H-400P doors are made of durable, high-density polyethylene (HDPE) door panels that are virtually maintenance-free. They will never need painting and rigid reinforcements provide structural strength to last a lifetime.

Durability

Lasting Durability

The woodgrain-textured, high density polyethylene panels provide strength and corrosion-resistance.

Convenience

Extra Protection

Vinyl weatherseal between the sections and panels and the U-shaped bottom weatherseal help keep the weather out to protect the door and property from dirt and wear.

Panel Design

Traditional design
