Hörmann Holds Grand Opening Event for New Spokane Washington Sales Center

On September 9, 2025, Hörmann held a grand opening celebration for their newly constructed Spokane WA Sales Center. There were over 100 in attendance, which included Hörmann dealer partners, members of the Greater Spokane Chamber of Commerce, special guests, and Hörmann executive team members.

This 35,000 square foot facility includes a showroom and will call area for Hörmann dealers in the Spokane Valley and Northern Idaho. It is conveniently located just off Interstate 90, which is logistically easier to access for the majority of customers for their sectional, high-performance, and loading dock equipment needs.

Hörmann has a 25 year history of investing in the greater Spokane region and is actively investing in the Pacific Northwest.
